Will the King of Spinach clobber the swashbuckler and save the lady Oyl?

*"**Popeye!** Sweetheart! Catch my kisses," cries **Olive Oyl!** "I yam comin' sweetlips, but there's a big ugly brute right on me tail," wails Popeye!*

*Chasing hearts before they break, Popeye is pursued by the ol' blubber face, **Brutus.** POW! Popeye punches beer bottles hurled by Brutus. POW! Popeye smashes wine bottles flung by the **Sea Hag.** "Curses! I missed," scowls the old lush! POW! Popeye slams the punching bag and a beer barrel immobilizes Brutus. "Rats! I'll git you, you little varmit!" Popeye is then free to catch hearts and flirt. But just let one of those hearts break and Olive shakes a threatening finger at Popeye, scolding, "you stupid ninny!"*

*Avast! Ms. Oyl is such a nag! She keeps throwing things at Popeye. And brutish Brutus keeps gaining. But POW! See Popeye grab the spinach and become glowing red. Only **now** can Popeye knock Brutus on his petunias!*

*Observing from afar, **Wimpy** proclaims, "Greetings, Sir! That was a foul blow. I want a hamburger." Meanwhile, annoyed at the nasty Sea Hag, Olive orders Popeye to "smack her smush!" "I cannots do it," says Popeye, "I yam a gen'leman! I does not hit dames!"*

*Plagued by kamikaze skulls, ravenous vultures and fragile hearts, can Popeye triumph? Will he **KNOCK OUT** Brutus and live happily ever after with his favorite dame?*

*Only **Nintendo** could create such a frantically wild game using one of America's best-loved cartoon figures. It's Popeye as you've never seen him before. With sensational, lifelike graphics, sounds and music which will have them begging for **more!***

*"**Blow me down!** I yam so **proud** of Nintendo I could bust," boasts Popeye as he puffs his pipe and winks goodbye!*
